a **Polar Coaster Winter** this year!

To help Reliance better service our Residential Fuel Customers we are asking that you walk out to your tank **once a week** to check your tank gauge.

*Call us when your **Propane** tank is at **30%**.

*Call us when your **Oil** tank is at **1/2**.

If you are an Automatic Customer, your deliveries are scheduled through our software.

Remember **Same Day Service** charges on will call customers are:

*Same Day before Noon- **\$60**

*Same Day after Noon- **\$100**

*Same Day after 5pm- **\$125**

*Holidays & Weekends- **\$150**
